

Personal Loan Credit Policy

1. Purpose

This policy governs underwriting decisions for unsecured personal loans.

2. Applicant Eligibility

Applicants must:

- * Be at least 21 years old.
- * Have stable employment history of at least 12 months.
- * Maintain an active bank account.
- * Meet minimum income requirements.

3. Credit Score Evaluation

Credit Score	Lending Decision
-----	-----
Above 760	Excellent
700 - 759	Good
650 - 699	Acceptable
Below 650	High Risk

Applications below 650 generally require rejection.

4. Income Requirements

Minimum annual income:

- * Salaried applicants: ₹500,000
- * Self-employed applicants: ₹750,000

5. Employment Stability

Preferred employment tenure:

- * Minimum 12 months with current employer.
- * Minimum 24 months business operation for self-employed applicants.

6. Loan-to-Income Assessment

Recommended loan amount:

- * Not more than 10 times monthly income.

Applications exceeding this threshold require enhanced review.

7. Risk Indicators

The following increase risk:

- * Multiple recent credit inquiries.
- * Significant recent increase in debt.
- * High revolving credit utilization.
- * Irregular repayment history.

8. Decline Conditions

Applications should be declined when:

- * Income verification fails.
- * Fraud indicators are confirmed.
- * Active bankruptcy exists.
- * Credit score is below policy threshold.
